

## INFORMATION FOR INTERNATIONAL PARTICIPANTS

International participants are invited to attend the full conference from 8-12th January 2018. The conference will be held in Dhaka, information about the venue will be emailed after registration. The conference itself is free of charge.

Please book your accommodation at the [Asia Pacific Hotel](#) from their website. Quote **Gobeshona4** in the booking to receive a discount for your room confirmation. You will also get the daily shuttle service 'hotel – venue – hotel'.

To present your research at Gobeshona conference submit [the call for abstract](#)

To present your video at Gobeshona conference submit [the call for video abstract](#)

To register as a participant submit your information here. (not yet opened)

### Important information:

- Non-Bangladeshi passport holders are strongly advised to obtain a visa to visit Bangladesh prior to travel. Even though sometimes visa can be given on arrival the immigration authorities at the airport don't always give them.
- Gobeshona Team will provide a letter of support for applying to Bangladesh Embassy for visa prior to travel but cannot help with visa-on-arrival.
- The conference doesn't offer any field trip to visit the most climate vulnerable communities in Bangladesh. If you are interested for a personal trip, please inform the organizer about your interest ahead of time.
- The conference will be held in the Winter season. The winter is usually dry with average temperature of 15 degree Celsius.

Please visit the web-portal [www.gobeshona.net](http://www.gobeshona.net) to know more how Bangladesh confronts climate change.

### The Conference Host:

Gobeshona is a project under the knowledge management programme of ICCCAD. It's climate knowledge platform, consisted of a multi stakeholder steering committee representing government and non-government organisations interested in solving climate change problems in Bangladesh.

For the invitation letter or any other information, please contact Gobeshona Team
